

Communicable Disease Control Branch
Department for Health and Wellbeing
Infection Control Service Education Program

Reprocessing & Sterilisation Update Seminar

PROGRAM

Date: Wednesday 30 July 2025

Venue: [Microsoft Teams](#)

We would like to acknowledge that this land we meet on today is the traditional land of the Kaurna people, and that we respect their spiritual relationship with their country. We also acknowledge that the Kaurna people are the custodians of the Kaurna land, and that their cultural and heritage beliefs are still important to the living Kaurna people today.

Time	Session	Presenter/s
